Cookie Policy

A **website cookie** is a small file of text data that a website stores on your device when you visit it. Cookies are used to enhance user experience by remembering preferences, tracking site usage, and facilitating secure logins. There are different types of cookies, including:

- **Essential cookies**: Necessary for the website to function properly, such as remembering login details.
- **Functional cookies**: Remember user preferences, like language or region settings.
- **Analytics cookies**: Track user behaviour and site performance, helping website owners understand how visitors interact with their site.
- **Marketing cookies**: Used for targeted advertising across different websites.

Cookies are essential for modern web functionality, and websites must provide clear information about how cookies are used.

Cookies are used when you visit my website, which is provided to me by Wix.com. On my website, I use a cookie banner provided by Usercentrics by Wix. The cookies and policies of which are listed below.

My website provider is Wix.com
Their cookie policy when accessing my site can be accessed here:
WIX
Essential
Description of Service
This is website content creating and analysis service.
Processing Company
Wix.com Ltd
Namal 40, 6350671 Tel Aviv, Israel
Data Protection Officer of Processing Company
Below you can find the email address of the data protection officer of the processing company.
privacy@wix.com
